

Students Grades 2nd -12th

In order for Students to gain AR points - they must go to this site/link

<https://global-zone50.renaissance-go.com/welcomeportal/168548>

Click on "I'm a student"

Type in their username and password. It is the same username and password they use for STAR tests. If they do not remember - they can text, call, or email Mr. Beaudrie.

In order to take an AR quiz - students need to Click on the Orange ACCELERATED READER Box. They can Search for their book in the Search Box that is provided. If/When it shows up on the screen - they can click on the box that says "Take Quiz."

They can take the quiz.

If students have any other questions - they can reach out to Mr. Beaudrie.

Thanks

Bob Beaudrie
K-12 Principal
Newburg United School
