

Good evening

I don't have a lot of updates today. Please continue to check our website for any/all updates.

I would like to just inform you of a couple things.

1. Our staff has been working extremely hard on getting their curriculum lined up for the extended closure period.

Our teachers will continue to reach out to students and parents via remind apps, email, and zoom meetings.

2. Please continue to remind your Students in grades 7-12 to continue to check their emails for Google Classroom invites.

3. Elementary students and parents can continue to connect with teachers through the remind app, email and zoom meetings.

We are hoping to have all students and staff ready to roll next week with continuing education for all.

I appreciate everyone's patience and cooperation during this time. I believe it will be a lot of trial and error on what will work going forward.

I am very proud of how much our staff has accomplished in such a short period of time. They are extremely committed to your students.

Thanks again and have a great night.

Mr. Beaudrie
