

The Newburg United Class of 2020 will be having their graduation as scheduled on Sunday, May 24 at 4:00 pm in the Newburg United Gymnasium. Because of the COVID-19 Pandemic, graduation will look different than it has in the past. There are CDC Guidelines needing to be followed. In taking these guidelines in consideration, attendance to the graduation will be family members only. Each family will have a maximum of eight people who may enter the building. Family members and other individuals are encouraged to attend graduation and will be asked to remain in their vehicle in the school parking lot. The graduation will be streamed through our FACEBOOK page and can be listened to on KBTO Radio 101.9 FM. Once the graduation ceremony is completed, graduate and their families will exit the building. At this time, we would ask that people honk their horns to congratulate the 2020 graduates.
