Darcy Lamoureux-Business Manager
Scott Hunskor-Board President

Parents,

On January 28th, a letter went to parents regarding how the district guidelines for masking would be since the Governor changed the state risk level from Yellow to Green. In this letter, I had stated the guidelines would remain the same. Masks would still be required on buses, lunch lines and classrooms when social distancing could not be accomplished. This was a change to our original Reentry Plan adopted this fall by our school board. Any changes to this plan needs to have board approval.

The board met last night in a special board meeting to discuss this change. After much discussion, the Board, by a vote of 5-2, approved removing the wearing of masks during the school day and on buses. Individuals may still choose to wear masks but they are no longer required. This change goes into effect as of today, February 4, 2021.

It is important to remember the plan is a working document that may change moving forward depending on state or federal mandates.

I apologize for any confusion. If you have any questions, please feel free to call me at the school. My number is 272-6151.

Sincerely,

A handwritten signature in cursive script that reads "Jason A. Kersten".

Jason A. Kersten
Superintendent
